Re: Data Referenced in the Arbitrator's Award in *United States – Subsidies on Upland Cotton: Arbitration under Article 22.6 of the DSU and Article 4.11 of the SCM Agreement*

Dear Mr. Ambassador:

We have received your letter of September 25, 2009, requesting data for 2008 and 2009 in accordance with the Arbitrator's award in *United States – Subsidies on Upland Cotton: Arbitration under Article 22.6 of the DSU and Article 4.11 of the SCM Agreement*. The requested data for fiscal year 2008 are enclosed. Attachment 1 provides the data on transactions under GSM-102 in the format of Exhibit US-78 as contemplated in paragraph 5 of Annex 4 of the Arbitrator's award. Specifically, Column N, "Delivery Phase Out Amount," provides the transaction value under the guarantees at issue. It excludes the value of guarantees that were registered but never used because the guarantees were cancelled or products were not shipped. Column F, "Obligor Subsidy Country Name," indicates the guaranteed transactions in which Brazilian obligors participated and the guarantees in which they did not. Attachment 2 provides the export prices for the scheduled products rice, poultry meat and pig meat, as contemplated in paragraph 6 of Annex 4 of the Arbitrator's award.

With respect to 2009, data are not yet available. The fiscal year recently concluded, and we are still collecting data. In addition, export data for calendar year 2009 will not be available until 2010. We will provide these data in response to your request when the data are complete.

Sincerely,

David P. Shark
